CONTRIBUTOR'S NAME AND AFFILIATIONS

To: - LAWARENCE PRESS (LP)

Contributor(s) is defined as the original author(s) of the manuscript as named above.

Contribution is defined as the text content of the manuscript title mentioned above and all supplementary materials.

LP is an abbreviation of LAWARENCE PRESS

A. In consideration of LP evaluation of the contribution or manuscript for publication (and publishing the contribution if LP so decides) the Author(s) grant fully to LP the copyright and any extensions thereto, subject to clause 2 below, the exclusive right and irrevocable licence:

(a) To edit, adapt, publish, reproduce, distribute, display and store the contribution in all forms, formats and media whether now known or hereafter developed (including without limitation in print, digital and electronic form) throughout the world;

2. To modify the contribution in form of any other languages (An international, any national or regional), create adaptations, summaries or extracts of the contribution or other derivative works based on the contribution and exercise all of the rights set forth in (1) above in such translations, adaptations, summaries, extracts and derivative works;

3. To licence and authorise others to do any or all of the above; and

4. To re-licence article metadata without restriction (including but not limited to author name, title, abstract, citation, references, keywords and any additional information, as determined by LP).

B. Ownership of copyright remains with the Author(s), and provided that, when reproducing the contribution or extracts from it or the supplementary information (defined below), the Author(s) acknowledge first and reference publication in the Journal, the Author(s) retain only the following non-exclusive rights:

- a) to reproduce the contribution in whole or in part in any printed volume (book or thesis) of which they are the Author(s);
- b) they and any academic institution where they work may reproduce the contribution for the purpose of course teaching;
- c) to post a copy of the contribution as accepted for publication after peer review (in a locked word processing file, or a PDF version thereof) on the Author(s)' own web sites, or institutional repositories, or the Author(s)' funding body(s)' archive, six months after publication of the printed or online edition of the Journal, provided that they also link to the contribution on LP's web site; and
- d) To re-use figures or tables created by the Author(s) and contained in the contribution in oral presentations and other works created by them.

C. The Author(s) grant to LP for the full term of copyright and any extensions thereto the same rights that have been granted in respect of the contribution as set out in clause 1 above, in and to all supplementary material in any form (including without limitation images, videos, tables and/or graphs) submitted by the Author(s) to LP with or in connection with the contribution (Supplementary Information") but on a non-exclusive basis).

D. LP acknowledges that an earlier version of the contribution and/or Supplementary Information may have been submitted to a pre-print service (in accordance with that service's standard licence terms).

E. the Author guarantees and represents that:

- a) The Author(s) are the sole Author(s) of and sole owners of the copyright in the contribution and the supplementary Information and the contribution and the Supplementary Information is the original work of the Author(s) and not copied (in whole or part) from another work. If however the contribution or the Supplementary Information includes materials from

- other sources, the author(s) warrant they have obtained the permission of the owners of the copyright in all such materials to enable them to grant the rights contained herein. Copies of all such permissions are attached to this licence;
- b) all of the facts contained in the contribution and the Supplementary Information are true and accurate;
 - c) the signatory (the Author or the employer) who has signed this Agreement below has full right, power and authority to enter into this Agreement and grant the rights herein on behalf of all of the Authors;
 - d) nothing in the Contribution or the Supplementary Information is obscene, defamatory, libellous, violates any right of privacy or publicity, infringes any intellectual property rights (including without limitation copyright, patent, database or trademark rights) or any other human, personal or other rights of any person or entity or is otherwise unlawful; and
 - e) Nothing in the Contribution or the Supplementary Information infringes any duty of confidentiality which any of the Author(s) may owe to anyone else or violates any contract, express or implied, of any of the Author(s), and all of the institutions in which work recorded in the Contribution or the Supplementary Information was created or carried out, have authorised such publication.
 - f) The Author(s) authorise LP to take such steps as it considers necessary at its own expense in the Author(s) name and on their behalf if LP believes that a third party is infringing or is likely to infringe copyright in the Contribution and/or Supplementary Information including but not limited to initiating legal proceedings.
 - g) The Author(s) hereby waive or agree not to assert (where such waiver is not possible at law) any and all moral rights they may now or in the future hold in connection with the Contribution and the Supplementary Information.
 - h) The Author(s) shall cooperate fully with LP in relation to any legal action that might arise from the publication of the Contribution and/or Supplementary Information and the Author(s) shall give LP access at reasonable times to any relevant accounts, documents and records within the power or control of the Author(s).
 - i) If the Contribution is rejected by LP and not published, all rights under this licence shall revert to the Author(s).
